3. Hostellers are advised to complete all formalities related to hostel registration and subsequent fee deposition before 2<sup>nd</sup> January 2021. The students will do the formalities through online mode.
4. The festival Magh Bihu is observed in January which is considered as a harvest festival, marked with community feast and bonfires. Kaziranga University is considered as one family, therefore this year when the hostellers will be in campus to complete their academic activities, and as they are also advised not to move out of the university campus to restrict themselves against the chance of getting infected by Covid 19 virus, the Magh Bihu festival will be celebrated on campus with students, faculties and staff as per tradition.
